

Product Specification

Model	Tri				Quad	Customize
Capacity	500L	1000L	1700L	3400L	225L-6000L	-
Inner size (W*D*H)(cm)	80*70*90	100*100*100	120*120*120	315*516*195	Customize	-
Outer size (W*D*H)(cm)	70*125*157	70*135*167	90*157*185	90*188*195	120*185*215	120*295*215
Net weight (kg)	Based on the situation					
Exterior material	Standard 1.2mm electrolytic plate electrostatic spray paint					
Interior material	Stainless steel plate SUS#304					
Temp Range	-70°C to 150°C					
Humid Range	20%RH to 98%RH					
Cooling Rate	Standard 1°C/min; or specified					
Heating Rate	Standard 3°C/min; or specified					
Frequency Range	3-5,000 Hz (Adjustable)					
Sine Force (kg)	300kg to 35,000kg for choose; or specified					
Displacement (mm)	Please see vibration shaker details					
Max load (kg)	Please see vibration shaker details					
Floor Load Resistance	Customized					
Configuration Interface	Configuration interface					
Power supply	AC 380V 50Hz
